## PRIVACY POLICY FOR WEB ANALYTICS

### 1. Use of Google Analytics

(1) This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses so-called "cookies", which are text files that are stored on your computer and enable your use of the website to be analyzed. The information generated by the cookie about your use of this website will be transmitted to and stored by Google on a server in the United States. If the IP anonymization is activated on this website, your IP address will first be truncated by Google within the area of member states of the European Union or in other signatory states of the European Economic Area. Only in exceptional cases will the full IP address be transferred to a Google server in the United States and truncated there. On behalf of the operator of this website, Google will use this information for the purpose of evaluating how you use this website, compiling reports on website activities and providing further services relating to website activity and internet usage for the website operator.

(2) The IP address transmitted by your browser within the scope of Google Analytics will not be associated with other data held by Google.

(3) You can prevent the storage of cookies by selecting the appropriate settings in your browser software; however, please note that, if you do so, you may not be able to use the full functionality of this website. Furthermore, you can prevent Google logging and processing the data generated by the cookie and related to your use of the website (including your IP address) by downloading and installing the browser plug-in available under the following link:  
<http://tools.google.com/dlpage/gaoptout?hl=de>.

(4) This website uses Google Analytics with the extension “\_anonymizeIp()”. This means that IP addresses will first be truncated before being processed so that the individual users cannot be identified. If and to the extent that the data collected about you involve a reference to you as a person, such reference will therefore be immediately excluded and the personally identifiable data are thereby promptly deleted.

## 2. Use of "reCAPTCHA"

(1) We use reCAPTCHA, which is a specific implementation of Google Inc. ("Google") to find out whether a computer user is human or if there is an illegal, automatized action by computers (bots) taking place. This is including the transfer of the IP address, information about the operating system, the browser and further visit duration, cookies, presentation notes, scripts and the input habits of the user to Google.

(2) The use of information obtained via „reCAPTCHA“ follows the terms of use of Google (→ <https://policies.google.com/privacy?hl=en>)
